### **Saying Goodbye 17<sup>th</sup> June 2pm Kings Lynn Minster**

When a baby is lost, whether during pregnancy, at birth or in infancy, it is a devastating experience for the parents and the extended family. Sadly for people that lose prior to 24 weeks gestation, services to commemorate life are seldom held, while for parents who lose later in pregnancy, at birth or in early years, the parents are usually in the depths of grief when a service is held. Saying Goodbye services provide a time and place to acknowledge and remember your baby, whilst collectively 'saying goodbye'. The services are for people of any faith or no faith and people are invited to bring family and friends with them. More details [www.sayinggoodbye.org](http://www.sayinggoodbye.org)
