HELP! I have inherited nearly 3 suitcases full of old paper choral church music. To save space these were kindly stored for many years by the late Elizabeth Campbell at her house on behalf of our Church. I believe that they are of no value and unlikely ever to be used. Most Church cupboards are awash with such material from years ago. I blithely took them to Heacham's Re-cycling Centre, but when asked where they came from I said that they were from the Church (mistake!). They refused to accept them and gave me an explanatory pamphlet. If I'd said I'd personally inherited them it would have been OK..but too late! I would now be keen to 'donate' them to any folk who might wish to 'own' a few, and having perused (!) maybe place some in their own domestic Green Bin – unless someone has other bright ideas. I can deliver some to you at home. Adrian 571102

Friends of St Mary's Snettisham

On July 1, we have our Barn Dance and Auction of Promises at Snettisham Park. We have managed to attract the popular and lively Whirligig band to provide the music and caller for what will be a fun and enjoyable evening. Accompanied by an auction of promises and a lamb roast, this will surely be as good an event as the one held at Snettisham Park in 2015. Tickets are £15.00 and £5.00 for children and are available from The Grapes Gallery Snettisham or email info@thefriendsofstmarys.co.uk. If you can't manage to come to this event perhaps you would consider giving us a "promise" for the auction or know of someone else or a supplier who would help in this way.

On July 22nd we shall be very privileged to welcome two outstanding international performers to St Mary's. Joo Yeon Sir (violin) and Laura Snowden (guitar) are used to playing in major concert halls throughout the world and have played at King's Lynn Festival. It is through the generosity of a Friend that we can arrange this concert. This is a free lunch time recital at 12 noon in church and a definite date for anyone who loves music.

The Village Cinema at The Memorial Hall on July 12th will screen the film **Hidden Figures** which tells the story of three Black American female mathematicians who were the brains behind the race to launch a man on the moon. Tickets are £4.00 and doors and bar open at 6.30pm for 7.30pm screening.
