Advance Notice Colin and Janet Abbiss

have both now reached the Eighties! We are thankful for this and would like to share a taste of our life here in Swaffham, Norfolk with you. We spend much of our time at The Green Britain Centre and invite you to join us here on Saturday 16th September 2017 at any time between 10am and 4pm. We realise that for many of you this will be a long or impossible journey, but if you can get here you will be able to have lunch and supplies of tea and coffee - if you would like to climb 305 steps up the wind turbine, there is a fine view across Norfolk (we have many dry sunny days in East Anglia). There will be things for children to do and an opportunity to wander round our wild flower meadow, apple orchard and organic garden. Also time to chat with relatives and friends you may not have met or seen for ages. If you hope to join us, please tell us before the beginning of September (so that there will be sufficient food !) and let us know if you would like to climb the turbine (children must be over 7 years old, and footwear must be suitable for stairs). Our phone number is 01760 723 118.

WEARABLE BRAS Diane Snelgrove is still collecting bras for women of the developing countries. The bras themselves are shipped off those in need. Please put your bras in plastic bags and place in the bin at the back of the Snettisham church. Thank you.
