Heather Scott and Pam Simpson's funerals.

Heather's funeral is on Monday Augusts 21 at 1pm in church followed by burial in the church yard. The family hopes that as many of her church family will be able to attend this service and our former Rector, Geoff Suart will be assisting Veronica with the service.

Pam will be cremated at Mintlyn Crematorium at 1pm on August 25th followed by a service, conducted by The Revd Julie Boyd, here at 2pm in church. Peter Murray will be playing the organ, Jean acting as verger and choir robed and singing on both occasions. We are providing the post service refreshments too on both occasions and please tell Marian if you can contribute to the refreshments.

Terrier Audit

On September 9th from 10am we are having a bit of a de-clutter so anyone who has any interest in anything stored away in the far corners of the church are invited to come and help us have a general sort out and possibly store them in a different place. More details are on the notice board or speak with Marian. If you cant make the 9th please let Marian know if you have items hidden away that you know will be used again and will need keeping. If we don't know there is a danger things might be removed. The aim is to have one allocated storage space for each section of the church's working life. e.g children activity items in one cupboard. A simple lunch will be provided and it will be a good opportunity to spend some time together getting to discover what goodies we have hidden away. Please let Marian know if you can help.
