To the church family: on behalf of Pat's family, I would like to thank you all for your loving concern, your kind messages of sympathy and your continuing support. We were all impressed by how much Pat was loved and appreciated by the church family and also by her neighbours and friends. This was clearly demonstrated by the attendance and participation at her funeral on such a very cold April day. For us, it was a very special family time and we thank you all, dear church family, for your part in it. *Janet*
