Heacham Fire Station Under Threat Again

The Police and Crime Commissioner for Norfolk is bidding to take over the governance of Norfolk Fire and Rescue Service. He has published a 117 page Full Business Case to support his case and this document contains proposals for serious cuts to fully operational fire appliances including the one in Heacham. More details in Heacham August's Village Newsletter. There is a public consultation running until the 5th September. Please have your say and help save this vital service once again.

U&Eye

The U&Eye @ Snettisham is a club for the visually impaired covering the area from Dersingham to Hunstanton. We are supported but not run by the Norfolk and Norwich Association for the Blind and St Mary's Church Snettisham. We are celebrating our 10th birthday in September. We meet on the 4th Monday in the month in the Church Hall Station road from 2-4pm.

Our members are really great and enjoy an afternoon out as being visually impaired is isolating and some also have mobility problems

We are need two helpers to join our team to serve refreshments join in the activity and help clear away afterwards.

We have been forced to cancel August's meeting as we do not have the helpers owing to holidays and grandparenting duties.

Our helpers are very loyal but if you could join the club please come along on September 24th and see if you could help. If you could give 3 hours a month or you know anyone who could commit to a happy and informal meeting we would love to meet you.

My name is Diane Snelgrove 01485 540753 for more details. I would love to hear from you.

Thank you
